Land of Lincoln,

Continued from Page One

You will want to visit Mr. Pulaski Court House next. This historic structure, with its original furnishings almost intact, is where Abraham Lincoln practiced before the bar, representing litigants in all kinds of law suits.

Driving east from Springfield, the next Magic Circle target is Lincoln Log Cabin State Park, south of Charleston. Here is a reproduction of the last home of Abraham Lincoln's father. Constructed in 1837, this log dwelling was Thomas Lincoln's residence until his death in 1831. Surrounding the 16 acres of park is a tall fence of the type that "Young Abe" built as a youth, and which earned for him the historically popular name of "The Rail Splitter."

Historic First Capital
No tour of the Land of Lincoln would be complete unless you visited Vandalia, former Capital of Illinois. Lincoln's rise in politics began here when he served as a representative to the State Legislature.

Heading north (U.S. 51), the miles slip by quickly as you drive to Decatur, then east (State 105) to Bement for a visit to Bryant Cottage (a state memorial) where the now famous Lincoln-Douglas debates were conceived.

Your next stop will be Champaign-Urbana, home of the University of Illinois. You will be impressed by this community of nice shops and homes; as you drive into town, you can feel the power and force of the college-dominated atmosphere. The campus can only be described as beautiful. Tall trees seem to protect the man student buildings, including the halls that are named for prominent persons, the dormitories, and the sorority and fraternity houses. The huge football stadium is a sight in itself.

Beautiful Parks
Depending on the time of year, your Magic Circle trips out of Springfield can be expanded to see more of the memorials to this American man of destiny; also to tarry enroute at some of the many beautiful state parks of central Illinois.

My favorite, in the circle north of Springfield, is Black Hawk State Park, near Rock Island. Here is the famed Indian Chief's Watch Tower, overlooking Rock River Valley. The museum houses the fine Hauberg Indian collection.

In the La Salle area are three interesting attractions: Historic Starved Rock State Park where you can hike or take boat trips to see amazing rock formations and caverns; Matthiessen State Park, with a herd of buffalo and good foot trails to the cliffs above the Illinois River.

South of Springfield is Pere Marquette, largest of the Illinois state parks, with complete facilities for vacationers. There is a nature museum in the park, and a good lodge with rustic stone guest houses. A majestic cross marks the point where Father Marquette and his companions turned their canoes up the Illinois River. To the west is Dickson Mounds State Park where an Indian mound has been excavated, revealing more than 230 skeletons with their possessions. Spiller Woods State Park, near Decatur, is one of the most beautiful areas in the State; its towering trees provide a true "forest primeval."

New Job In New Town May Help Her Forget

By DOROTHY DIX

Dear Dorothy Dix: I've wasted two years dating a fellow in my office who is of a different religion. I am very devout in my own faith and see absolutely no future in continuing the friendship. I'm 27 and feel that time is being precious to throw away. But how can I get him out of my mind? We see each other every day, date about every other week but both of us agree that's as far as we can go. How do I go about forgetting him? Do I get new men when I've been out of circulation so long?—Ivy.

Dear Ivy: Common sense dictates a change of job inclination should suggest a change of scenery. A well-trained, experienced, attractive secretary can practically write her own ticket today. Try a larger city than yours. You'll find new, attractive surroundings, a stimulating job — and maybe an unattached male of your own religion.

Dear Dorothy Dix: My husband is a darling in every respect except that he has no interest whatsoever in his personal appearance. He wears the same clothes for days, won't shine his shoes and doesn't get a haircut until I fight with him about it. I don't want to go through life quarreling with him, neither do I want to live forever with one of the great unwashed.—Connie.

Dear Connie: One last desperate measure is to gather up his clothes after he's retired for the night, and substitute a pressed suit, a clean shirt and underwear, then refuse to give him breakfast until he is shaven. The only thing the matter with him is sheer laziness. If you can't cure that the only solution is to cope with it. Have any readers found a satisfactory solution to this problem? Let's hear from you.

Dear Dorothy Dix: I'm 21 and have fallen madly in love with a business associate of my father. He's a bachelor of 32 and has fallen just as hard for me. My family, of course, are unhappy about it but I think we can be happy. In your opinion, what would be the outcome of our marriage?—Hilda.

Dear Hilda: Divorce, separation, or at the very least, unhappiness for you both. A gap of 30 years is too much to risk.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and address her care of this newspaper.

PSC Okays Ark-La Gas Agreements

LITTLE ROCK (AP)—The Arkansas Public Service Commission today approved an agreement between four Arkansas towns and the Arkansas Louisiana Gas Co. which will result in natural gas service for the communities.

The towns are Ankeny, Mount Ida, Norman and Glenwood. Under the agreement, the towns will build an 845,300 transmission line which they will lease to the gas company. The agreement shows the towns' shares of the cost to be: Ankeny \$181,200, Mount Ida \$262,750, Norman \$102,150 and Glenwood \$199,393.

All four towns floated bond issues to pay for the construction. The new transmission line will originate at Hot Springs.

The Khrushchevs will leave Pittsburgh after the luncheon, arriving here Thursday afternoon. They will stay again at the Presidential's guest house here.

Ambassador Mikhail A. Menzhikov will give a big reception for the Khrushchevs early that evening at the Soviet Embassy.

Khrushchev will visit the National Institutes of Health and other points of interest here Friday morning, then leave by car for Camp David.

The weekend talks will continue until noon Sunday, Sept. 27, when Khrushchev will drive back to Washington. He will hold a press conference, then go to the NBC television studio here for his address in the evening.

After a private dinner, the party will leave Andrews Air Force Base at 10 p.m. for the trip home. He offered to answer the questions if there were no interruptions. For 10 seconds there was silence. He calmed down, and continued:

"The question of what our public opinion is to or reads should be decided not by any outside government or influence, but by our own people and government."

Once again, in his formal talk, Khrushchev boasted that the U.S.S.R. would overtake the United States in industrial production more quickly than planned. There, possibly because of the makeup of his audience, he called the U.S. government's trade embargoes against the U.S.S.R. "senseless obstinacy."

Before Khrushchev spoke, Hon.

Bobcats Upset DeQueen in Thriller

Score Early and Hold Off Late Leopard Rally

By TEDDY JONES, JR.
Hope Star Sports Writer

The Hope Bobcats staged an upset over the top rated DeQueen Leopards at DeQueen last night by a score of 25 to 20.

The Cats with a stalwart defense stopped the two big guns of DeQueen Killian and Cox and turned loose some heavy artillery of their own in their deadly passing attack and grueling ground game.

Cox John Pierce's speedy backs capitalized on their scoring opportunities, and jumped to a quick 19 to 0 lead early in the second quarter. A 22 yard pass from QB Smiley to HB King netted the first touchdown for the Bobcats following the opening kick off. Duke's kick for extra point was good.

Early in the second quarter with the Leopards jittery from Smiley's aerials the Bobcat quarterback faded to pass and finding his receivers covered took advantage of the spread defense and scooted 23 yards around left end for Hope's second tally of the night. Try for conversion failed.

Following the kick off the Leopards with the pressure on them took to the air to overcome the two touchdown deficit. Joe Duke, stalwart, intercepted Dixon's pass on his own 35 yard line and went down the right side to outdistance all defenders for a 65 yard gallop.

Midway in the third quarter Terry Don Thurman, 185 pound Hope fullback showed his best form of the year by leading a 24 yard ground attack finally cranking over left guard from 10 yards out for Hope's final touchdown.

The Bobcat line came in for high praise for the sharpness of their offensive blocking and for their ability to stop the famed DeQueen running attack.

DeQueen retaliated late in the second quarter with a 57 yard drive climaxed by Killian's cranking over from the one foot line for DeQueen's first score. Armless Kenneth Ray, extra point specialist, kicked the extra point.

At the outset of the fourth quarter DeQueen quarterback Dixon busted

through on a QB sneak from the 2 1/2 yard line for DeQueen's second touchdown. The Leopards made their final tally when end Whitaker scooped a blocked Hope punt and ran 10 yards to score.

The Bobcat attack, sharpened somewhat by their ragged show of a week ago against the Pine Bluff Zebras, was determined and spirited from the outset and shocked both the highly touted Leopards and their supporters.

Cox Jack Bell's Leopards were totally unprepared for the quick lightning like scoring thrusts that gave the Bobcats their edge at the game. The Cats made their breaks and made them count as contrasted to the Zebras contest when miscues led to their downfall.

DeQueen, holding victories over Hot Springs and Broken Bow went into last night's Bobcat game rated No. 3 in Arkansas Schoolboy circles.

A summary account of the scoring and highlights of the grueling contest follows:

First Quarter

Hope won the toss and elected to receive. Dixon, DeQueen quarterback, kicked off to Ford Ward, Cat FB, on the 38 yard line. Ward returned the kick to the 40 and the Bobcats proceeded to travel 60 yards for their first score without giving up the ball. Smiley pitched out to King who scampered to the 24 yard line before being tackled down. Following two incomplete passes by Smiley, Hope QB, on a fade with fourth down and ten yards to go Smiley passed to scat-back Eddie King for the Bobcat first touchdown. Joe Duke's PAT was good and the Bobcats were out in front 7 to 0 with 4:25 remaining in the first quarter.

Joe Duke's short kickoff was returned to the DeQueen 45 yard line and Don Killian, DeQueen's "do it pigskin" to the Hope 22 yard line where he was stopped by Bobby Erwin. Killian and Cox drove for a first down to the Bobcat 10 yard line. The Cat line stiffened and threw Killian and Cox back to the Hope 19 yard line and took the ball over on downs following Killian's drive to the Hope 14.

Following an exchange of punts with Hope on their own 16 yard line, Vaughn punted to the Cat 45 yard line. Killian attempted a hand off reverse to Cox, who fumbled with Bobby Erwin recovering for Hope on the DeQueen 39 yard line. With ten seconds remaining in the quarter Smiley pitched out to King who carried to the DeQueen 32 yard line as the quarter ended. Score Hope 7 - DeQueen 0.

Second Quarter

On the first play of the quarter Terry Don Thurman 185 pound Bobcat fullback picked up 9 yards for a first and ten on the DeQueen 23 yard line. Penalty for backfield in motion set the Cats back to the 27. Smiley attempting to pass and finding his men covered faked beautifully and scooted 23 yards around LE for Hope's second touchdown. Two tries on the PAT one replayed because of DeQueen off sides penalty failed. With three minutes gone in the 2nd quarter Hope led 13 to 0.

Following Duke's kick off to the DeQueen 25 which was returned by Trotter to the 39 yard line the Leopards picked up two straight first downs marching to the Hope 20. With first and 10 Dixon, DeQueen QB passed to McRae, end, and Joe Duke promptly intercepted and sped 65 yards for the third Bobcat touchdown. Duke's PAT was good and Hope led 19 to 0. Six minutes remained in the quarter at this point.

Killian returned Duke's kick off to the Leopards 43. A 3 yard penalty against Hope moved the ball to the 48; hand off to Dixon to Goode, fullback moved to a first and ten on the 45. Killian and Goode, coupled with a Dixon to Whitaker pass for 7 yards, carried to a first and 10 on the Hope 2 yard line where it took Killian two tries to gain 16 yards over LG for the first DeQueen TD. Kenneth Ray's PAT was good. Score Hope 19-DeQueen 7 with two minutes and 45 seconds remaining in the quarter. Hope moved for two first downs but with fourth and nine from the 48 Vaughn kicked to the DeQueen 19 as the half ended.

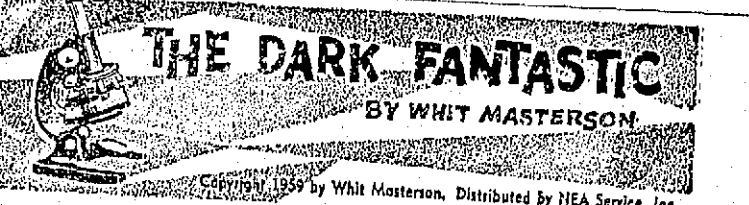

DeQueen received and returned to the 29 yard line. Killian, Goode, and Dixon made a first down to the DeQueen 31. Killian and Cox drove 30 to the 49 but the Leopards were penalized 5 yards back to the 34. On second down Killian fumbled Johnny Turner recovered. DeQueen TD. Thurman recovered the big gun in Hope's drive for the fourth TD. Thurman took a 24 yard pass from Smiley and lugged to the 20; Smiley carried to the 16. DeQueen TD. Thurman took a 24 yard pass from Smiley and lugged to the 10 for a first and

THE STORY: Ross Mallory, a U. S. border patrol inspector, and Colonel Aguilar, a Mexican customs official, are being sent to board a tramp steamer which is suspected, among other things, of being infested with a dangerous disease. The ship has just left a Mexican port.

CHAPTER XI
Mallory clutched his companion's arm. "What's that? Over there?"
Aguilar scrambled across the narrow compartment to see where Mallory was pointing. On the horizon, against a dark sky, a shape, hardly more than a smudge. Together, they studied it through their binoculars.

"It's a ship, all right," Mallory said. "A freighter. I can make out the boom."

"Now let's hope that it's the right freighter."

A hundred feet off the water, they leveled off and roared past the freighter's stern, close enough to read the name lettered there. Kaisar-i-Rum. Instantly, Mallory had now been discovered, the Kaisar-i-Rum still maintained ship at an altitude of 1,000 feet while Aguilar attempted in vain to elicit an answer. The Kaisar-i-Rum didn't seem to be attempting to escape, however; it was loafing along on a southerly course, scarcely making headway. Only a trickle of smoke emerging from her stack revealed that the

goal. On a deceptive handoff from Smiley to Thurman the big fullback went over LG for 10 yards to make the score Hope 25 - DeQueen 7. Turner's try was no good, 7 minutes and 15 seconds remained in the third quarter.

No further scoring developed in the third quarter but with 4 1/2 minutes remaining the Leopards launched a drive that was to pay off in the opening stages of the fourth. QB Dixon passed to Whitaker for a first and ten on the Hope 41 yard line. Dixon picked up 7 yards over RT and then passed to Whitaker for a first and 10 on the Hope 20. He again passed to McRae, LE complete on the 23 yard line, and a hand off to "Goat" carried to the Bobcat 11 yard line as the quarter ended. Score and end third quarter Hope 25 - DeQueen 7.

Fourth Quarter
On two smashes at the line 185 pound fullback Goode drove to the 2 1/2 yard line where on third down Dixon on a quarterback sneak went over for the second DeQueen TD. PAT by Ray was good. Score Hope 25 - DeQueen 14 with 11 minutes remaining in the ball game.

Dixon's or side kick failed and Hope 43 yard line. Neither side was able to put together a sustained game it looked as if the Cats were ready to move. Eddie King returned a DeQueen punt to the Hope 45 yard line. Turner carried to the Hope 45 yard line. Turner carried to the Hope 45 yard line. Turner carried to the Hope 45 yard line.

plause near the end of his talk. The convention then voted unanimously to collect up to 30 million dollars a month from the AFL-CIO's 12 1/2 million members to support the steel strikers.

Under the plan all union members will be asked to give one hour's pay a month for the strike's duration.

The fund was established as a permanent policy to help finance major strikes in the future. It also plans set up in several industries to cushion strike losses.

The convention is in recess until Monday morning.

Rockefellers Help Dedicate Plant
AMSTERDAM, N.Y. (AP)—The Rockefeller brothers—Gov. Nelson and Winthrop—joined in dedicating a branch of an Arkansas company.

Winthrop Rockefeller, chairman of the Arkansas Industrial Development Commission, said there were "no hard feelings" for the company's choice of a New York site.

The brothers and other officials yesterday dedicated the new plant of the Southwest Manufacturing Co., which produces small boats. Winthrop Rockefeller told the audience at the ceremonies that the expansion resulted from pressure efforts of the parent company in Arkansas. He said Arkansas would benefit in return on this investment.

The first radio signal was sent and received across the Atlantic in 1901.

their motives, they exchanged weak grins.

Mallory said, "Anybody says 'side,' I agree. Newt, I think we'd better put on these."

He pulled the respirator up to cover his nose and mouth.

When to Fish or Hunt

Solunar Tables
By John Alden Knight

The schedule of Solunar Periods as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times. If you wish to find the best sport that each day has to offer.

The Major Periods are shown in boldface type. These begin at the time shown and last for an hour and a half or two hours thereafter. The Minor Periods, shown in regular type, are of somewhat shorter duration.

"THIS WORLD"

HAVE
FAITH
IN
GOD

TRUST
ONLY
IN
HIM

...what is it dad? To me it seems to be a multitude of jealous people, who have forgotten God, and are experimenting with scientific formulas that could tear us apart. What does it mean — "Am I my brother's keeper?" What a thought for this age... for men who literally carry our lives in their hands. At best we are confused. The time-table is tipped in favor of total destruction. Why, oh why, will wise men "deaf-ear" God? He said, "I am the way and the truth." He gave us His church where we could learn to love each other more, but many a man refuses to be called to worship. God, have mercy on all those who stray, and help us explain the world through love.

You In The Church
The Church In You
-- form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.
